**Kristen Baumer** of Philadelphia was abducted and sexually assaulted as a freshman in college at the University of Delaware. Kristen began speaking publicly about her abduction and assault and is now a part of the RAPE outreach team. In the past year she has shared her story on The Biography Networks' "I Survived" and The I.D. Networks' "House of Horrors; Kidnapped." Kristen hopes that she can make a difference in people's lives through being in the RAPE outreach group and sharing her story in the media.
